## About SLCG

Simple Living Country Gal began in 2016 as a resource for those wanting to live a simpler life. What began as a homesteading beginner's resource has since grown to include all aspects of simple living. From gardening, food preservation, and livestock to frugal living, decluttering, and simplifying. Our blog has become a community of folks striving to live a happier less complicated lifestyle.

## About Tracy Lynn

Tracy Lynn is a mom of 4 grown boys and wife to Hubs who is a loved character in SLCG newsletters. She is a suburban raised gal that made the switch to rural PA when her boys were still young. She lived her life as a mom and is now taking on the role of teacher and coach to thousands of folks from all walks of life now wanting to simplify.
